Focus IN: *With a glad heart*

Woodland, my heart is full. My heart has been drawn toward you from the first time we met, but together we had to make sure this was more about God than about us. Now that it is obvious God has brought us together, I cannot wait to embrace our future. I am committed to being a servant leader providing vision, guidance and support as we respond to God's call for us to live our lives in a way that makes a Kingdom Impact.

I am already planning to be engaged in VBS. While I am excited about getting to know the people of Woodland, I am also hoping VBS and the WELL center will provide open doors for me to get into the community. As you have opportunity to introduce me to friends, family and neighbors, please do so.

The upcoming Mission Trip to Oak Hill Academy in Southwest Virginia is on my calendar as well. This will be a great opportunity for me to get to know and build relationships with over 30 people who are already signed

up for this construction mission trip. It is my understanding there is still time to jump on board...so I hope you will consider joining in on the fun, hard work and ministry as we go out to serve together.

As if God has not given me enough confirmation of this calling you should probably know ice cream is my favorite food group. How appropriate is it the Woodland is across the road from the Colleen Drive-in? I believe I may claim this as my second office. So please drop in a join me for some ice cream.

I am truly looking forward to meeting and getting to know each of you and walking down the path God has set before us. I will see you Sunday, June 20.

With a glad heart,
Greg

"In his heart a man plans his course, but the Lord determines his steps."

New To Our Family

The Pastor Search Committee for Woodland Baptist church is excited to announce a unanimous vote from the church body Sunday, May 23rd, to offer Rev. Gregory Todd McCormick the position of Senior Pastor. Greg accepted the invitation and will join Woodland Baptist Church on June 20, 2010. Greg has a Bachelor's Degree from Bridgewater College, a Master in Sociology from UVA and a Master of Divinity from the Baptist Theological Seminary at Richmond.

Greg, Kristie and their boys, Caleb and Noah, love being outdoors. Some of their favorite activities include hiking, camping and enjoying God's creation together. Greg is passionate about people. He wants to know YOUR story as well. Make plans now to get to know Greg and his family in the coming months.
