## The Role of a Benefactor

To Benefit Self or Others?

Being there for people in hard times and giving them practical help deepens our discipleship with others

Others are to be

Taken care of

Given opportunities to grow

Honored

Offered guidance (particularly those who are looking to us for it)

To DO good or LOOK good?

Practical assignments in daily life enables great learning for those we are discipling.

Humility

Praise for others

Not looking for self-credit
