Departing into the World

We Recognize and Affirm God at Work in Each Other

Romans 12:1-2

When making disciples, we should see people through the promises of God - seeing who God is making them to be, not simply who they are or were.

Aspects of Discipleship:

Being a Living Sacrifice

Engaging in True and Proper Worship

Experiencing Transformation

Doing God's Will

When walking alongside others, we must help them focus on where God is bringing them, not simply where they have been.
