

Woodland Early Life Learning Center

Effective July 1, 2010

Tuition Fees

Ages 2 to 3: \$432.00 per month

(Diapers, wipes and creams are to be provided by parent/guardian)

Ages 3 and above: \$392.00 per month

(A child must be 3 and potty trained prior to the tuition fee being lowered)

Tuition Payment Plan Options

The WELL Center utilizes **Smart Tuition** for payment of childcare fees. By using **Smart Tuition**, the WELL Center is able to offer parents more payment method options for childcare fees. The monthly rate is based on 49 weeks and reflects the closings of the WELL Center for the July 4th week, scheduled holidays and allows parents one additional tuition free week for vacations, etc.

☐ 12-month plan (see rates above)

This option is for parents who will have their child(ren) attend the WELL Center year-round (including summer months).

☐ 10-month plan (see rates above)

This option is for parents who will remove their child(ren) during the summer months (such as teachers, etc.). The 10-month plan covers the time frame of **August 16, 2010 - June 10, 2011**. If a parent chooses this option and needs additional weeks of childcare, additional fees will be charged and paid directly to the WELL Center.
