

## August 2011

---

### **Woodland - On the Move**

If you have been away some during the summer, this is what you may have missed...

**Vacation Bible School** - 90 participants in Pandamania. You can still hear children singing the songs. Even more importantly, they heard and experienced Biblical messages that will change their hearts.

**Sunday Mornings** - Take a look in this edition of the newsletter to see the results of our Sunday morning Children's classes. Better yet, plan to join us in one this week.

**Free Community Dinner** - Our youth prepared and served meals for over 120 people. Woodland embraced the opportunity to visit with friends and neighbors in our community. Approximately ¼ of those in attendance were non-churched members of our community.

**Impact Virginia** - Buckingham - 14 youth and 4 adults spent a week building ramps, putting on roofs, painting and repairing homes within about an hour of Woodland. They began each day at 6am and had a praise and worship experience each evening. Join us on July 31<sup>st</sup> for a cookout and to hear about their week.

**Children's Camp** - Watermarks - Scottsville, VA - We sent five children and two adult leaders to camp. Their days were filled with devotions, worship celebrations, swimming, archery, paintball, scavenger hunts, tubing and more. The camp staff was great. Campers' lives were enriched. We can't wait to go back next year with even more of our children.

**Laura McDaniel** - Virginia WMU director - encouraged us and challenged us in the journey of being Disciples for Christ.

All this and summer is not over yet. Join us. Get involved. Woodland is a great place to be - not because of who we are, but because of who we serve.

See you Sunday,

*Greg*

## Children's Sunday School Update

### Preteen Class

Some things they have learned were about:

- Hope - "Because Jesus Christ is Lord, His death and resurrection give us the ultimate reason for hope of eternal life with God."
- Abilities - "God created each of us with unique abilities that He wants us to use in serving Him."
- Prayer - "Prayer helps us to get to know God and show our love for him." In the Prayer unit the children learned the acronym ACTS which stands for Adoration, Confession, Thanksgiving, and Supplication. - **Janet Page & Ray Ramsey**

### Babies

The two babies have really grown up since September 2010. It has been fun watching them go from not walking to crawling (Ben) and from crawling to walking and talking (Ava). It was been a fun year, and I would not have traded it for anything. I thank Woodland for giving me this opportunity. - **Molly Gerke**

### 1<sup>st</sup>-2<sup>nd</sup> Graders

Our class has been challenged to learn the books of the Bible. Fourteen children have learned the Old Testament and were rewarded with a pizza party. Then we started on the New Testament and 9 children can recite the all 66 books of the Bible. The kids have worked really hard and they encourage each other through the listings on the wall. I am so proud of them because they have accomplished something that not too many adults have. - **Terry Crickenberger**
