### Small Groups

Over the past year, Woodland has encouraged its members to embrace discipleship by living out their faith more intentionally. One very Biblical way of doing this is by inviting people into your personal life – particularly into your home. Many of our members have begun small groups in their homes. We are excited to see the Lord at work, and would like to encourage all of our members to participate in a small group. Below is a list of some of the groups that have begun. *(Due to the fact these groups meet in homes, space is an issue, and there may be a limit on the number of people in that group. Those groups that currently have space available are listed as open.)* If you are feeling led to start your own small group, please contact Greg to discuss your ideas.
