

Hold Us Together

It don't have a job
Don't pay your bills
Won't buy you a home in Beverly Hills

Won't fix your life in five easy steps
Ain't the law of the land or the government

But it's all you need

Love will hold us together
Make us a shelter weather the storm
And I'll be my brothers keeper
So the whole world will know that we're not alone

It's waiting for you
Knockin' at your door!
In the moment of truth
When your heart hits the floor

And you're on your knees then...

Love will hold us together
Make us a shelter weather the storm
And I'll be my brothers keeper
So the whole world will know that we're not alone

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark you can still see the light
It's gonna be alright, it's gonna be alright

This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark you can still see the light
It's gonna be alright, oh, it's gonna be alright

And love will hold us together
Make us a shelter weather the storm
And I'll be my brothers keeper
So the whole world will know that we're not alone
